Static Window Clings

Static window clings are a great solution! Unlike traditional decals, static clings can be easily removed and reused without any loss of adhesion. They're perfect for temporary promotions or for decorating windows and surfaces in your home or office. To apply, simply remove the white backing and spray the cling and surface with a light soap and water mixture. Then press it firmly into place. Your custom design will stick to the surface without any bubbles or creases. When you're ready to reposition the cling, just peel it away and spray it with soapy water before sticking it back in place. If you need to store the cling in between uses, just remove it from the window and reapply the white backing.

Static window clings are a great way to get your message out there - so don't wait, order yours today!

ARTWORK SPECIFICATIONS

Which are the Accepted File formats?
Accepted file formats are JPEG, JPG, PDF, EPS, CDR, AI, GIF, PSD, TIF, TIFF, PPT, PNG DOC, DOCX, BMP, and psb image. However, Adobe Illustrator EPS and AI files, are better suited for large format printing. If you are using the design tool the file formats that can be uploaded are PNG, JPEG, JPG, GIF, EPS, AI, TIFF, and PSD.

What resolution should I use for the artwork?
The minimum resolution should be 150dpi for actual size artwork and 300dpi if the artwork is about half size. Provide all image files in inches. For example, if you want your banner to be 2 Feet High x 4 Feet Wide, then set the artwork size at 24'H X 48'W.

What Color mode is accepted?
Usually, we provide full-color printing in CMYK for all types of **banners**, signs, and related products. There is no need for color shifting in case of files submitted in RGB because we accept RGB as well. Whether CMYK or RGB, we always strive to deliver the best results to meet your specified color requirement.

What kind of fonts do you support?
At Bannerstore.com, you don't have to worry about fonts because we bring the widest variety of today's most popular fonts. In the **banner design tool**, you can select the fonts of your choice from our large library and personalize the text for your banner as well as the signs. If you are uploading your file, we recommend outlining all your artwork's fonts properly before exporting the file for printing or supplying us with the fonts used in your artwork. This will help you avoid any delay in the final printing work.

Do I have to add bleed to my artwork?
If your design covers the full banner surface we will use extra material for the banner finish such as hems and pole pockets. You do not need to add bleed to your artwork.

what size do you offer for banners?
Sizes of Custom Blank Banners start from 2' x 2' but can be customized to reach 150' in length and width 10' for horizontal vinyl banners and 150' in height and width 10' for vertical banners. The size of your Custom 13 oz Banner design depends on your needs.
