Custom 13 oz Banners

Custom 13 oz. vinyl banners are a popular choice for outdoor advertising and events. They are made from 13 oz. vinyl material, which is specifically designed for use in outdoor environments. This type of vinyl is thicker and more robust than standard vinyl, making it ideal for banners that will be exposed to the elements.
One of the major advantages of 13 oz vinyl banners is their fast turnaround and shipping. Many companies, like Bannerstore.com, offer quick production times and shipping options, so businesses can get their banners in a timely manner. This is particularly important for businesses and organizations that need to promote their products, services, or events quickly.
13 oz vinyl banners are suitable for a wide range of uses, including outdoor events such as parties, parades, festivals, and concerts, as well as for business purposes such as advertising sales or promoting a new product. They can also be used for promoting non-profit organizations and community events.
The quality and durability of 13 oz vinyl banners are high as they are made of a thick vinyl material. They are also resistant to fading, tearing, and UV damage, making them long-lasting, which means they can withstand harsh weather conditions, making them a great option for long-term outdoor use. Additionally, when ordering from a reputable company, the banner is printed with high-resolution waterproof ink which further ensures the longevity and readability of the print.
In conclusion, 13 oz vinyl banners are a versatile and durable option for outdoor advertising and events, thanks to their resistance to weather conditions, fast turnaround and shipping, and the variety of uses they can be applied. They are a cost-effective way to reach a large audience and make a lasting impact.

Designing Custom 13 oz Banners

Designing Custom 13 oz Banners you should keep in mind that you'll end up with long-lasting, extremely durable, and able to withstand a number of weather conditions, including heavy wind and rain. Printed on a 13 oz vinyl material, the design process also allows you the option of including wind slits, reinforced hemming, and/or reinforced corners with your banner. Another important factor to consider when designing your 13 oz banner, if you're using it for marketing efforts, is the high-quality printing. During the design process, you have the option to customize the look and personalize the message. This process can begin with an Allstate banner template, or with an uploaded image or logo. This potential for customization along with the first-class ink and printing results in an impressive, bold display that embodies your cause and efforts to the public, whether it's a business, a charity, or a personal event, like a party.
Another positive aspect worth noting is the ease and versatility that are involved with placing and mounting these displays. By using ropes, bungee cords, clips, zip ties, or hooks, Custom 13 oz Banners can be secured to fences, walls, or building surfaces, or be hung using a suspension method - each of which maximizes visibility and allows flexibility to you as a company.
Quality of Custom 13 oz Vinyl Banners
Our company is committed to not cutting any corners on the construction of our banners, guaranteeing that you receive a product that you can be confident in and proud of. Using top-quality vinyl material, folded on every end, and heat welded together to provide a seamless edge makes your banners more durable than ever. Heavy-duty Grommets will be placed along the top and bottom of your banner securing your installation when you'll hang your banners outside. Additionally, state-of-the-art printing machines that we are using UV-rated ink to ensure that Sun exposure will not affect your outdoor banner from any harsh weather conditions.

Before placing your order, it's a good idea to view and decide on the following detailed options. **Free Hems and Grommets.**

Custom Vinyl Banners Finish Options

Before placing your order, it's a good idea to view and decide on the following detailed options. **Free Hems and Grommets.**
HEMS

Hems consist of one inch of the Custom Banner material folded over to the backside of the banner and heated together to form a clean and strong one-inch hem. We recommend having hems on all banners to increase their strength and durability of the banners. Like all Custom 13 oz Banners, Hemmed edges are typically used to reinforce the sides of vinyl banners. This helps to maintain the banner's shape and prevent stretching.
POLE POCKETS

Provide a convenient method for hanging or attaching vinyl signs at regular points. This distributes the weight and helps to keep the vinyl signs from sagging. Hems Hemmed edges are typically used to reinforce the sides of vinyl banners, helping maintain the banner's shape and prevent stretching. This is particularly helpful when grommets are used on vinyl signs.
POLE POCKETS

Pole Pockets allow for rigid poles or dowels to be inserted along the edges of the banner. This allows for a more even distribution of the banner's weight to prevent sagging. Opposing pole pockets can also be used to make the banners more rigid.
WIND SLITS

If you choose this option, we will cut small half-circles into your banner to reduce wind resistance. This feature is perfect for outdoor banners, as it helps to prevent twisting and flapping in the wind.
