Custom Vinyl Banners Finish Options
Before placing your order, it's a good idea to view the following detailed options. **Free Home and Office Delivery**

Hems

Hems consist of one inch of the Customer Banner material folded over to the backside of the banner and heated together to form a clean and strong one-inch hem. We recommend having hems on all banners to increase their strength and durability of the banner. We offer free hems on all our banners. Hemmed edges are typically used to reinforce the sides of vinyl banners. This helps to maintain the banner's shape and prevent it from fraying.

Grammar

☒ Provide a convenient sign at regular

to keep the vinyl signs from sagging. Heat-sealed edges are typically used to reinforce the sides of vinyl banners, helping maintain the banner's shape and prevent stretching. This is particularly helpful when greenmats are used on vinyl

POLE POCKETS

Pole Pockets allow for rigid poles or dowels to be inserted along the edges of the banner. This allows for a more even distribution of the banner's weight to prevent sagging. Opposing pole pockets can also be used to make the banners more rigid.

WIND SLITS
 If you choose this, your banner will have a slit for a wind slit.

Affordable Vinyl banners
Banners and posters are affordable for clients; thus, this cost efficiency is a benefit of this type of advertising. **Banners** guarantee that more and more customers notice your business. The lowest cost possible, which is a key to your success. Even with little money at your disposal, you can attract more clients to your business, and the best method you can choose is using an outdoor custom banner. It is one of the most efficient and affordable means of giving useful information and broadening the base of customers. If a message in a banner is mostly clear and concise, this billboard has a crucial impact. Contact our company to get a perfectly designed and formatted banner to advertise any kind of event. You can announce any event like a basketball game, a one-day sale, a tennis tournament, or a business conference if you order an outdoor custom banner from us.

Vinyl Banners Durability and Life
The life of a banner really depends on how it is being used, stored, and taken care of. The more it is being used, the

anywhere between 3-6 years. The 5-10 years or the least 1-2 years, being used outdoors 24/7, due to the sunlight, it will wear out more

banner and store it, but the maintenance really determines its lifespan. If you are planning to mount your banner outdoors, you are better off getting an extra durable 18-ounce vinyl, and even get wind slits, if your banner will be placed against a fence, or hung freely in the air, where the wind will blow against it. You can consider ordering reinforced corners along with your banner if you are planning to order grommets to hang your banner, as the reinforced corners will ensure extra support to the corners of your banner, and prevent ripping.

you roll it and keep it away from the sun, as opposed to folding it. When the banner is rolled, you are preventing the banner from being folded. If the banner is too large, and it is too heavy to roll, you can fold it in half and then roll it.

When it comes to the weather, you can always get out of the sun by hanging or laying the banner flat, and by applying light heat to the banner, but not too close to it. If you have any additional questions on how to take proper care of your banner and ensure a longer lifespan, don't hesitate to contact us. We will be happy to assist you!
