Cheap 10'wx4'h Custom Banner (120"wx48"h)

The Banner Store stands out as a leading manufacturer of Custom Vinyl Banners in the nation. Our expertise extends to producing both large format digital Custom Vinyl Banners and traditional options. Our Cheap Vinyl Banners are available in various weights, including 13 oz. lightweight Vinyl, 15 oz. Premium Vinyl, and 18 oz. Heavyweight Vinyl Banners. We provide flexibility with single and double-sided Custom Vinyl Banners. Beyond vinyl, our offerings extend to different materials such as mesh banners, yard signs, perforated vinyl, artist canvas, poly banners, and banner stands.

Ordering from The Banner Store is a seamless process. You can upload your ready-to-print files, design your Custom Banners online using our user-friendly design tool, or rely on our in-house professionals for assistance. Our commitment to quality includes heat-welded hems on our Custom Vinyl Banners, enhancing durability and appearance. Grommets are strategically placed in all four corners and every two feet along the top and bottom of the custom banner, streamlining the hanging process. For added convenience, ropes for hanging banners are also available. We offer expedited shipping options, with the capability to ship banner orders within 24 hours for an extra rush fee. Choose The Banner Store for premium Custom Vinyl Banners that make a lasting impression.

Elevate your brand visibility with Bannerstore.com. Our Cheap 10'wx4'h Custom Banner is not just a promotional tool; it's a statement of quality and commitment. Place your order now, and let us help you make a lasting impression!

Free Hems and Grommets.

HEMS

Hems on a custom vinyl banner refer to the finished edges of the banner that have been folded over and sewn to create a reinforced edge. This adds stability and strength to the banner and also provides a clean, finished look. The most common types of hems are double-fold hems and pole pockets. Double-fold hems are created by folding the edge of the banner over twice and sewing it in place to create a clean, finished edge. Pole pockets, on the other hand, are created by sewing a pocket along the edge of the banner that is used to insert a pole or other support structure.

Grommets are small metal rings that are typically inserted into the corners or along the edges of a custom vinyl banner, which provide a secure way to hang the banner. Grommets are typically made of brass, aluminum, or other durable materials and are placed at regular intervals along the banner. They are typically used in conjunction with rope, cable ties, or bungee cords to secure the banner to a wall, fence, or other structure. The grommet itself is a small hole, usually reinforced with a metal ring, which allows for the banner to be hung up with a rope or cable tie and prevents the tearing of the material. Grommets are a common feature on banners that will be hung in high-traffic areas or exposed to harsh weather conditions, as they are durable and resistant to tearing.

POLE POCKETS

Pole pockets are a feature on custom vinyl banners that are designed to make it easy to hang the banner using a pole. They are essentially a folded-over and sewn edge of the banner, which creates a pocket where a pole can be inserted. This allows the banner to be hung from a pole or a rope, and it provides a secure way to display the banner. Pole pockets are typically placed at the top and bottom of a banner and can be created in different sizes to fit different diameter poles. Pole pockets are a convenient way to hang a banner, as it eliminates the need for additional hardware or rigging to display the banner.

WIND SLITS

Wind slits, also known as wind flaps, are small cuts or openings in a vinyl banner that are designed to reduce wind resistance and prevent the banner from tearing or getting damaged in windy conditions. When the wind blows against a banner, it can create a large amount of force on the banner, causing it to stretch, tear, or even break. Wind slits allow the wind to pass through the banner, reducing the amount of force exerted on the banner and making it more resistant to damage. They are usually placed at the corners or along the edges of a banner and are a common feature on banners that will be hung in high-wind areas or exposed to harsh weather conditions.

Cheap 10'wx4'h Custom Banner (120"wx48"h) production time and Shipping

All banners are printed and shipped in 48 hours. We offer same-day print and shipping for an extra fee. Affordable 10'x4' Custom Banner - Ideal for Your Advertising Needs

Introducing our Cheap 10'x4' Custom Banner (120"x48") – a simple yet effective solution at an unbeatable price. This product is tailored for customers with print-ready files, requiring only hems and grommets. Please note that orders for this banner won't receive print proofs via email; they will be sent directly to print. Suitable for both indoor and outdoor use, our Cheap Vinyl Banners are durable, tear-resistant, and offer exceptional value.

Why Choose Our 10'x4' Custom Banner from BannerStore.com

At Banner Store, we empower you to promote your business, product, or service seamlessly. Many customers have successfully marketed themselves using our 10'x4' Custom Banners (120"x48"). As one of the nation's premier Custom Vinyl Banner manufacturers, we offer a range of options, including large format digital Custom Vinyl Banners, traditional Custom Vinyl Banners, and more. Our banners come in 13 oz. lightweight Vinyl, 15 oz. Premium Vinyl, and 18 oz. Heavyweight Vinyl Banner variants, both single and double-sided.

Options and Features:

• Upload your ready-to-print file or design your own Custom Banners using our online design tool.
• Heat-welded hems for increased durability and improved appearance.
• Grommets in all four corners and every two feet along the top and bottom for efficient hanging.
• Rope available for hanging banners.
• Same-day shipping is available for an extra rush fee.

Custom Banner Sizes:

Choose from a range of sizes starting from 2'x2', customizable up to 150' in length and 10' in width for horizontal banners, or 150' in height and 10' in width for vertical banners.

Production Time and Shipping:

All banners are printed and shipped within 48 hours. Opt for same-day print and ship for an additional fee. Clients enjoy free ground shipping for total purchases exceeding $150.00. Select from UPS and FedEx shipping options, including ground, 2 days air, 3 days transit, or overnight shipping.

Durability and Lifespan:

The lifespan of your banner depends on usage, storage, and care. Banners typically last between 3-6 years, with some lasting up to 10 years. Outdoor use, weather conditions, and sunlight exposure can impact longevity. For added durability, consider 18-ounce vinyl with slits for windy conditions and reinforced corners for additional support.

Maintenance Tips:

• Roll banners for storage to prevent creasing.
• Avoid folding banners, especially if they are large.
• Apply light heat to remove creases during use.
• For outdoor use, choose 18-ounce vinyl and consider reinforced corners.

Order Your 10'x4' Custom Banner Today:
