Repositionable wall murals are the perfect way to add a unique touch to any space. Whether you're looking for a traditional polyester-weaved fabric or our heavy-duty canvas, our peel-and-stick wall murals come in a variety of materials to suit your needs. Made in the USA, our premium canvas is a proprietary material not sold by any other wall mural company – perfect for fine art murals or anything else that requires a high-end presentation. The thickness of the canvas works well on walls with slight imperfections, and it's the easiest to install! Our fabric material is thinner than canvas and made from extremely tightly woven polyester.
