Backlit Film - Custom Backlit Film Printing

Are you in need of an eye-catching and durable marketing tool that will grab attention and withstand the elements? Backlit film printing may be just what you need! This printing method uses high-quality, 10 mil translucent film to produce long-lasting, high-resolution displays that are perfect for indoor or outdoor use. The matte finish minimizes glare and provides for vivid color printing, making it ideal for a variety of applications such as airport signs, movie theater boxes, menu displays, bus stops, backlit exhibits, and window presentations. For a green option, our HP LATEX ink is certified for use in hospitals, living rooms, and public spaces. So whether you're looking for maximum impact or a more eco-friendly option, we've got you covered!
Introducing our backlit film – perfect for making high-resolution displays that are easy to see in any light conditions. This film is made of 10 mil translucent film for the best quality, with a high quality matte finish that minimizes glare and provides vivid color printing. It's perfect for airport signs, movie theater boxes, menu displays, bus stops, backlit exhibits, and window presentations. And because it's printed with our HP Latex ink, it's UV safe and will last for years. So don't wait – order your backlit film today!

Applications of Backlit Film Printing:
Backlit film is the perfect solution! Recommended for small or POP signs, the backlit film is printed with HP Latex ink for high-quality, vibrant color that will really get noticed. And because HP Latex ink has a green certificate for use in hospitals, living rooms, and public spaces, you can be confident knowing your signage is safe for everyone to enjoy. Backlit film is also commonly used in malls and airports for advertisements. So if you're looking for a way to grab attention and get people talking about your business, the backlit film is a great option. All translucent prints are digitally printed in full color, so you can customize your design to perfectly reflect your brand. And because it's made to be highly visible at night, the backlit film is an ideal choice for bus stops, menu displays, window presentations, and airport signs.

ARTWORK SPECIFICATIONS
Which are the Accepted File formats?
Accepted file formats are JPEG, JPG, PDF, EPS, CDR, AI, GIF, PSD, TIF, TIFF, PPT, PNG DOC, DOCX, BMP, and pub image. However, Adobe Illustrator EPS and AI files, are better suited for large format printing. If you are using the design tool the file formats that can be uploaded are PNG, JPEG, JPG, GIF, EPS, AI, TIFF, and PSD.
What resolution should I use for the artwork?
The minimum resolution should be 150dpi for actual size artwork and 300dpi if the artwork is about half size. Provide all image files in inches. For example, if you want your banner to be 2 Feet High x 4 Feet Wide, then set the artwork size at 24"H X 48"W.
What Color mode is accepted?
Usually, we provide full-color printing in CMYK for all types of **banners**, signs, and related products. There is no need for color shifting in case of files submitted in RGB because we accept RGB as well. Whether CMYK or RGB, we always strive to deliver the best results to meet your specified color requirement.
What kind of fonts do you support?
At Bannerstore.com, you don't have to worry about fonts because we bring the widest variety of today's most popular fonts. In the **banner design tool**, you can select the fonts of your choice from our large library and personalize the text for your banner as well as the signs. If you are uploading your file, we recommend outlining all your artwork's fonts properly before exporting the file for printing or supplying us with the fonts used in your artwork. This will help you avoid any delay in the final printing work.
Do I have to add bleed to my artwork?
If your design covers the full banner surface we will use extra material for the banner finish such as hems and pole pockets. You do not need to add bleed to your artwork.
what size do you offer for banners?
Sizes of Custom Blank Banners start from 2' x 2' but can be customized to reach 150' in length and width 10' for horizontal vinyl banners and 150' in height and width 10' for vertical banners, The size of your Custom 13 oz Banner design depends on your needs.
